THE PROJECT WILL NOT GO FORWARD UNTIL THIS INFORMATION IS RECEIVED.

## JUSTIFICATION FOR VARIANCE

By law a Variance may be approved only if certain facts are found to exist. Please read these requirements carefully and explain how the proposed project meets each of these facts. Use additional sheets if necessary.

1. Explain what special circumstances are applicable to the subject property, including size, shape, topography, location or surroundings, whereby the strict application of the zoning ordinance deprives such property of privileges enjoyed by other property in the vicinity and under identical zoning classification:

---

---

---

---

2. Explain why the granting of the variance does not constitute a grant of special privileges inconsistent with the limitations upon other properties in the vicinity and zone in which the subject property is located and is subject to any conditions necessary to assure compliance with this finding:

---

---

---

---

---

3. Explain why the granting of the variance does not authorize a use or activity which is not otherwise expressly authorized by the zone regulation governing the subject property:

---

---

---

---

---

4. Explain why the granting of the variance is consistent with the general purpose and intent of the General Plan and any applicable specific or Master Plans:
